

# REGISTERING FOR CLASSES

---

Students can register online using WebAdvisor. Students are assigned registration days according to their total number of graduate credits earned at Lewis & Clark. More information about course registration can be accessed by visiting the graduate registrar's website (<http://www.lclark.edu/graduate/offices/registrar/>).

To avoid late registration fees, students must complete registration and changes using WebAdvisor prior to the start of the term or during the add/drop period. No late fees will apply if a student adds a course online on or before the first day of class. After the add/drop period, students wishing to drop a course must complete a late add/drop form and pay a late fee. Additional charges may be assessed based on the tuition adjustment policy. For details, review the late add/drop grid (<https://docs.lclark.edu/graduate/tuition/>) and the tuition adjustment policy (<https://docs.lclark.edu/graduate/policyprocedures/billing/>).
