REGISTERING FOR CLASSES

Registration is accomplished online using WebAdvisor (https://webadvisor.lclark.edu), a website application that allows current students to view their schedules, grades, advising transcripts, and restrictions, and to conduct registration transactions including adding and dropping courses. All registration activity can be performed online through WebAdvisor, with the exception of certain changes that must be made by the registrar's office staff.

WebAdvisor, along with the latest information and instructions about course registration, can be accessed by visiting the graduate registrar's website at www.lclark.edu/graduate/offices/registrar.

To avoid late registration fees, students must complete registration and changes using WebAdvisor prior to the start of the term or during the add/drop period. No late fees will apply if a student adds a course online on or before the first day of class. After the add/drop period, students wishing to drop a course must complete a late add/drop form and pay a late fee. Additional charges may be assessed based on the tuition adjustment policy. For details, review the late add/drop grid and the tuition adjustment policy.
