

ADVANCED STANDING

Lewis & Clark College grants semester credit for **Advanced Placement (AP)** and **International Baccalaureate (IB)** examinations as listed below.

Lewis & Clark College will also consider the following types of advanced standing coursework for evaluation and potential credit award: British A Level (GCE-A), Caribbean Advanced Proficiency Examination (CAPE), French Baccalauréat, or other similar international examination. Official documentation should be submitted to the Office of the Registrar for review.

The following criteria govern the awarding and application of Advanced Standing credit of any type:

- The maximum number of Advanced Standing credits (of any type) that can be applied to the degree is limited to 32. Preference will be given to those examinations with L&C course equivalencies.
- Credit may be applied to a departmental major only as specified in the AP and IB charts below. For GCE-A, CAPE, French Baccalauréat, or other international examination, application to the major will be determined on a case-by-case basis.
- Official advanced standing results must be received in the Office of the Registrar within one year from the date of initial matriculation to be eligible for credit.

Advanced Placement (AP)

Lewis & Clark grants 4 semester credits for Advanced Placement (AP) scores of 4 or 5 for the examinations listed below, except for Calculus BC, which is granted 8 semester credits. No more than 8 credits for Calculus AB and BC will be awarded.
