

REPEATED COURSES AND GRADES

Some courses may not be repeated for academic credit. In certain circumstances and with prior approval from an advisor, however, students may repeat selected courses in order to replace grades and credits. The original course and grade will remain on the student record, but the grade earned during the repetition of such a course will replace the previous grade in the student's cumulative GPA calculation. Students must complete any repeated courses within the maximum allowable time frame and meet satisfactory academic progress requirements.
