**ESOL ENDORSEMENT**

Designed for educators holding an Oregon teaching license, Lewis & Clark’s ESOL Endorsement Program explores the principles, theories, research, and practices relevant to the needs of PK-12 students acquiring English as a second or additional language. To meet the needs of professionals, we offer program courses in the evenings, on weekends, during the summer, on-line and, in some cases, at school sites. Candidates join colleagues and Lewis & Clark faculty to engage in classes for dialogue, study, and field experiences that address the full complexity of cultural and linguistic diversity and of academic and social inclusion of immigrant students.

Graduates of Lewis & Clark’s ESOL Endorsement Program enter schools prepared to:

- Support their students’ English language development through content and literature studies as well as direct language instruction.
- Develop and adapt content-specific curriculum for diverse classroom populations.
- Employ innovative teaching methodologies and instructional strategies that respond to the needs of English learners in the mainstream classroom and beyond.
- Utilize assessment principles that measure language and content.
- Partner with families to build strong ties between the school and the diverse racial, cultural, and linguistic communities they serve.
- Lead their school community in the establishment of collaborative learning environments that support high levels of success for English learners and ensure justice for students and for their families.

The program may be completed in conjunction with either the MEd in Curriculum and Instruction or the Teacher Leadership for Equity and Social Justice Certificate.

**Applying for the Endorsement**

Candidates must apply for an endorsement directly to the Oregon Teacher Standards and Practices Commission (TSPC) by submitting the appropriate forms, fees, test scores, and transcripts. Applicants must apply for the endorsement within three years following completion of their respective programs. If more than three years elapse before application is made, the candidate must qualify for recommendation under rules for licensure in effect at the time of application. Information about filing for a license is available from Lewis & Clark’s K-12 Educational Career and Licensing Services Office (http://www.lclark.edu/graduate/career_and_licensing/k-12).

**Adding the Optional Bilingual Specialization**

Please contact the Oregon Teacher Standards and Practices Commission (contact.tspc@oregon.gov) for the requirements and process to add an optional Bilingual Specialization to your existing teaching license. (contact.tspc@oregon.gov)

**Accreditation**

Lewis & Clark’s graduate programs leading to licensure and endorsements are approved under the National Council for Accreditation of Teacher Education (NCATE) and the Oregon Teacher Standards and Practices Commission (TSPC).
