⁵ A meal plan is obligatory for all students who live on campus. Flex is value placed on a student's ID card, which a student uses like a declining balance. One flex point equals \$1 in value. Points carry over from fall semester to spring semester. At the end of the academic year, any unused points are lost.

Books and Supplies

Each student provides the necessary textbooks, equipment, and instructional supplies at the student's own expense. The cost of books and supplies is estimated at \$1,050 per year. Costs will vary depending on the curriculum and whether the student purchases new or used books. Payments for books and supplies are made directly to the bookstore, located on the second floor of Templeton Campus Center. The bookstore is also accessible online through the Lewis & Clark website (<https://lclark.bncollege.com/shop/lclark/home/>).

Flex Points

Flex points allow a student's ID card to be used like a debit card for Bon Appétit purchases. As a student spends points, the flex point total is reduced by the purchase amount. One point equals \$1 in value. Any student (resident or commuter) may add flex points to an ID card at any time by visiting the Bon Appétit office located near the Fields Dining Room in Templeton Campus Center. Points carry over from fall semester to spring semester. At the end of the academic year, any unused points are lost. Residential students may not purchase flex points in lieu of a required meal plan.

Special Rate for Additional Dependents

Lewis & Clark offers a 10-percent reduction in tuition charges for a second dependent and a 15-percent reduction for additional dependents attending the College of Arts and Sciences at the same time. To qualify for this tuition reduction, the dependents must be enrolled as full-time students and not be receiving institutionally funded financial aid. Students who qualify for this tuition reduction may apply the discount to Lewis & Clark's overseas and off-campus programs. The reduction will be calculated and applied based on the current rate of tuition for on-campus study.

Student Body Fee

The annual Associated Students of Lewis & Clark (ASLC) Student Body Fee for the typical full-time undergraduate student is \$360. This is based on enrollment for two semesters. Students registered for fewer than 10 semester credits are charged the ASLC Student Body Fee at the rate of \$18 per semester credit.

Student Insurance

The cost of the Lewis & Clark student insurance plan is based on annual enrollment. The total cost is \$3,721.
