The Connect-Portland (PDX) designation is given to courses highlighting the experiential, experimental, and/or inquiry-based learning that derives from Lewis & Clark College's location in Oregon and the Pacific Northwest. These courses include instruction, content, and/or student work that is specific to Portland and/or the surrounding areas. These courses may also consider Portland's relationship to regional, national, and/or global developments. Connections are made through one or more of the following activities: course readings, class discussions, lectures, field trips, guest speakers, assignments, research projects, laboratory work, internships, volunteer work.
